Dear Mr. Nagielski:

We are pleased to inform you that your firm's application for certification as a Small Local Business Enterprise (SLBE) with the Metropolitan Washington Airports Authority (Airports Authority) has been approved.

This certification qualifies **Meyer Consulting Engineers Corporation** to participate as a SLBE on non-federally funded contracts with the Airports Authority, which require SLBE participation.

If, there is a material change in the firm that may affect SLBE eligibility, you must promptly notify this office in writing. This includes, but is not limited to: ownership, officers, directors, scope of work being performed, daily operations, and affiliations with other businesses or individuals or physical location of the firm. Notification should include supporting documentation. The Airports Authority reserves the right to review your firm's SLBE certification at any time and you may be required to provide any and all relevant documentation. Failure to cooperate by providing the requested information may lead to de-certification.

If you wish to expand or change your firm's SLBE certification to include NAICS codes not listed on page 2 of this letter, you must send a written request to this office. You may be asked to provide additional information concerning your firm's qualifications to perform work in the areas covered by the requested NAICS codes.

Please note that for SLBE program purposes, this certification allows **Meyer Consulting Engineers Corporation** to be counted toward SLBE participation credit only for those business activities covered under the following North American Industry Classification System (NAICS) Codes:
